🥤 **Cans and Wine Bottles**
Revenue from the sale of cans and wine bottles has not yet been added to the budget. It will be included as soon as they are sold.

🚚 **Looking for a Truck or Trailer**
Unfortunately, our volunteers do not have access to a truck or trailer to transport the cans and bottles.
👉 **Do you have a truck or trailer?** We would love to use it to transport them before the end of the season.
Thank you in advance for your cooperation! Please contact Lyne (Lot 27), François (Lot 53), or Chantal (office).
🙏 A Thankless Task!
Sorting and collecting cans and bottles is a task that is not very rewarding and even less appealing when done on a volunteer basis.
💐 A huge thank you to Diane and François (Lot 53) for taking on this responsibility this season!

📊 Accounting and Transparency (Leisure 2025)

Accounting was carried out with full transparency throughout the season.

- Each week, the volunteers in charge recorded the sales of tickets (50/50 or lot tickets) at the office.
- The results were then confirmed and entered into Excel by Chantal.
- An updated copy of the spreadsheet was then shared with Lyne (Lot 27) and François (Lot 53).

📌 The accounting spreadsheet is also displayed:

- On the board near the pool – once a month
- And/or in the office window, for consultation.
